

# Guardianship at Adcote

All pupils at Adcote School whose parents reside overseas are required to have a guardian over the age of 21 years, who is resident in the UK.

This is to ensure that:

1. There is a contact in the UK to whom the school may refer in the event of an emergency.
2. The pupils have a UK location where they can stay if they are not returning home during holiday periods or when they have to leave the school premises.
3. There is an address where the pupil can stay for medical or disciplinary reasons in the event that they are unable to remain on the school premises.

Guardians are welcome to attend school events, parents evenings, concerts and matches.

Some families appoint a relative or close friend as a guardian but guardians can be arranged through professional agencies. We strongly recommend that parents only use an AEGIS accredited guardian organisation.
